A message from **Jason Stewart** President of Hockey Operations

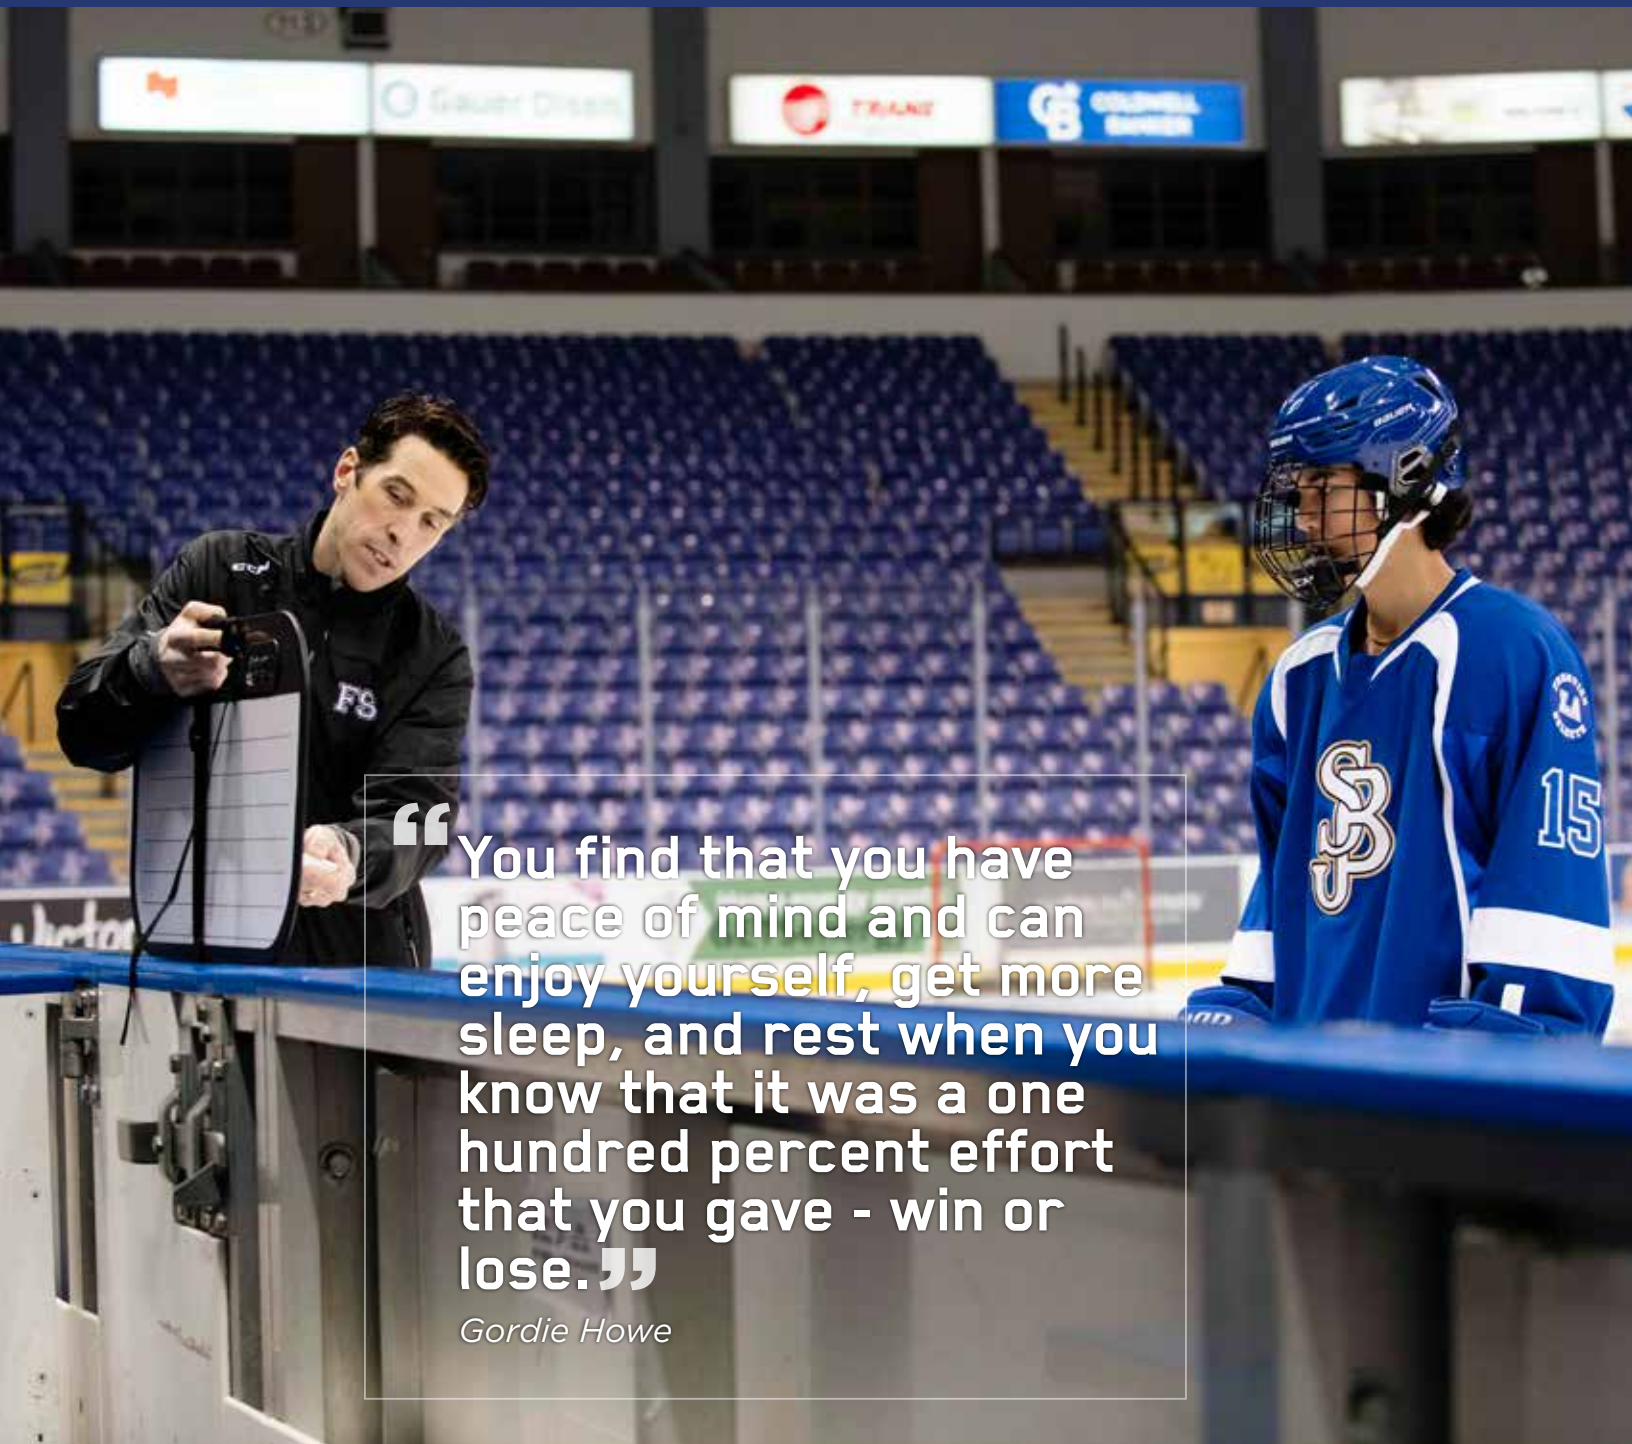

I am thrilled to announce the launch of our 'Elite Hockey Academy' program in Bellflower, California, on behalf of the Frontier Selects Hockey Academy. I am eagerly looking forward to creating and expanding this comprehensive development initiative for

young aspiring student-athletes. Participants from our program will engage in competitions with esteemed hockey organizations throughout North America. Our primary objective is to support each athlete in their pursuit of excellence and aid them in progressing to the next level.

By participating in the Anaheim Jr. Ducks High School League, we aim to establish stability in our programming. Additionally, we will enhance our offerings with competitions spanning across the United States and Canada, including Showcase and Tournament opportunities. The carefully crafted schedule not only ensures a competitive edge but also provides an excellent platform to solidify Frontier Selects as a premier hockey program and destination in Southern California.

I extend my gratitude to everyone who is exploring the Frontier Selects organization. A special thanks goes out to our community partners at The Rinks - Lakewood Ice and our educational partners at St. John Bosco High School for their invaluable support, enabling us to bring our program to you in 2024.
